6 Credits of Free Electives

TOTAL: 28 Credits (32 possible credits)

Those students planning to attend the public university system of NC must complete in addition:

2 Credits in the same Foreign Language

WEIGHTED GRADES

This policy rewards students for taking more advanced courses by providing up to two additional quality points towards a student's grade point average (GPA).

Historically, a student's GPA has been calculated by multiplying the number of units times 4 quality points for an A, 3 for a B, 2 for a C, 1 for a D or 0 for a F; adding the number of points produced; and dividing the sum by the number of units attempted. Under the plan for weighting grades in Honors or Advanced courses, students would receive 4.5 quality points for an A, 3.5 for a B, 2.5 for a C, 1.5 for a D, and 0 for a F. A 5 point scale is used for CCP and Advanced Placement classes. This is the first graduating class with this point system.

Courses receiving 4.5 point designation:

*Honors English I, II, III, IV

*Intro to Language, Intro to Lit.-Analysis

*Honors Math II, Honors Math III, Pre-Calculus

*Honors World History, Honors American History I, Honors American History II, Honors Civics, Turning Points in American History
